

# Hole in One Cupcakes

## INGREDIENTS:

- One boxed chocolate cake mix (plus oil, water and eggs to make according to package)
- One tub of white frosting
- One container (about 1 cup) of green sugar sprinkles
- 24 Lindt White chocolate Truffles

## DIRECTIONS:

- Make cake according to package and divide evenly into 24 cupcake liners placed in muffin tins.
- Bake according to package.
- Use a cupcake corer or a small knife (use a corer to get that perfectly round cut!) to cut a hole in the center of each cupcake.
- Use a knife to carefully frost the top of each cupcake around the hole.
- Press top of frosted cupcake into green sugar to coat it.
- Place a truffle into “hole”.
- Place a flag in each cupcake- you can print these on heavy paper and use double-sided tape to secure them to toothpicks. Find printable flag PDF files at [easybaked.net](http://easybaked.net)
